

Department of Defense Fact Sheet Guantanamo Detainees By the Numbers

Current As of 31 August 2005

GTMO Detainees

- Approximately 505 = the number of detainees currently at Guantanamo
- 245 = the number of detainees transferred from Guantanamo since the detention and interrogation mission began in January 2002
 - 177 = detainees transferred for release
 - 68 = detainees transferred to the control of other countries (Pakistan, Morocco, France, Russia, Saudi Arabia, Spain, Sweden, United Kingdom, Kuwait, Australia, Belgium and Jordan)

Detainee Processes:

- Combatant Status Review Tribunals (CSRT)
- 558 = the number of detainees who underwent a CSRT (every detainee had a tribunal)
 - 38 = the number of those classified as no longer enemy combatants (NLECs)
 - 28 = the number of NLECs transferred from Guantanamo
- Administrative Review Board (ARB)
- 240 = the number of detainees who have undergone an ARB
- 5 = The number of detainees recommended for release under the ARB process
- 41 = the number of detainees recommended for transfer under the ARB process
- 79 = the number of detainees recommended to remain at under the ARB process

Military Commissions:

- 15 = the number of detainees originally determined to be subject to the president's jurisdiction under his November 2001 military order.
- 12 = the number of detainees currently at Guantanamo and subject to the president's order (three detainee's were transferred to the control of their home governments)
- 4 = the number of cases where detainees are charged and the case is underway
 - (David Hicks of Australia, Salim Ahmed Hamdan of Yemen, Ibrahim Ahmed Mahmoud al Qosi of Sudan and Ali Hamza Ahmed Suleiman al Bahlul of Yemen)

NOTE: Military commissions are only for those whose actions rise to the level of suspected war crimes. Not all detainees will be tried by military commission.
